Editify Clients Terms And Conditions

Terms and Conditions When Working With Editify

By using Editify's services, you (the client) agree to the following Terms and Conditions. These ensure fair, smooth, and professional interaction between you, our editors, payment managers, and the Editify team.

---

1. Project Brief & Initial Instructions

All project requirements must be shared in 3 or fewer messages when placing an order.

Editify will only follow instructions in these messages. Any changes or additions afterward may incur extra charges.

Multiple messages or unclear instructions can cause delays. Editify and its team (including payment managers) are not responsible for delays caused by unclear or incomplete instructions.

---

2. Revision Policy

Projects $20 or less include 2 free revisions.

Projects $30 or more include 4 free revisions.

Unlimited reasonable revisions may be considered at Editify's discretion.

Revisions requested due to client errors, unclear instructions, or late changes may incur extra fees.

---

3. Payment Terms

Full payment is required upfront before work begins. All payments will be received by Editify to ensure safe and secure handling.

Editify holds all funds securely and will disburse payments to editors, collaborators, or other necessary parties only after the project is completed and approved.

Clients are responsible for covering any fees charged by payment platforms, banks, or other financial services. The total agreed amount must be received by Editify after all fees and charges are deducted.

No project will start without payment confirmation.

If a refund is issued, transaction fees, platform fees, or service charges are non-refundable and may be deducted.

Payment managers or editors are not responsible for client payment issues, losses, or disputes.

---

4. Refund Policy

Refunds are processed only after review by both the editor and Editify staff.

Refunds are not applicable for dissatisfaction caused by unclear or changed instructions.

Once the editor has started working (15 minutes after assignment or instructions received), a refund request will not be accepted.

Refunds do not affect any fees already paid to payment managers for processing payments.

---

5. Communication Policy

Clients are strictly prohibited from contacting editors or payment managers directly.

All communication must go through Editify.

Violating this rule may result in immediate termination of service without refund.

---

6. Turnaround Time

Typical delivery is within 1–2 days, unless otherwise agreed.

Faster delivery may incur additional fees.

Editify and its team members are not liable for delays caused by client inaction or unclear instructions.

---

7. Content Rights

You must have legal rights to any content submitted.

Editify and its team members (including payment managers) are not responsible for copyright disputes arising from client-provided material.

---

8. Professional Conduct

Respectful communication is required at all times.

Any abuse, harassment, or disrespect toward Editify staff, editors, or payment managers will result in immediate termination of service without refund.

---

9. Confidentiality

All files, messages, and project details shared with Editify are kept confidential.

Payment managers and editors are protected from any misuse of client information.

---

10. Worker Safety & Liability Protection

Payment managers, editors, and staff are not responsible for client payment issues, external platform disputes, or legal matters arising from client actions.

Clients agree not to hold Editify or its team members liable for indirect losses, delays, or additional costs caused by the client's behavior, payment errors, or third-party platforms (PayPal, banks, etc.).

Any attempts to contact, threaten, or coerce payment managers will be treated as serious misconduct and may involve legal action.

---

11. Force Majeure (Uncontrollable Events)

Editify will not be held liable for delays or non-performance caused by circumstances beyond its control, such as medical emergencies (e.g., hospitalization), internet or power outages, natural disasters, government restrictions, or technical failures.

In such cases, clients will be notified, and a revised delivery schedule will be provided.

---

12. Quality Commitment

Editify is committed to delivering high-quality work tailored to your brief.

While creative standards may vary, payment managers and editors are protected from disputes based on subjective expectations.

---

13. Feedback & Support

Honest feedback is encouraged.

Editify staff and payment managers are available during working hours and will respond promptly, but cannot be held liable for delays caused by client non-responsiveness.

---

14. Transparency & File Safety

Editify maintains transparency about pricing, timelines, and expectations.

Reasonable measures are taken to ensure your files are safe.

Payment managers are not liable for data loss caused by client-side errors.

---

15. Equal Treatment

All clients are treated equally regardless of background.

Any discriminatory or abusive behavior towards payment managers or editors will result in immediate termination.

---

16. Progress Updates

For complex projects, interim updates may be provided.

Editify and its team members are not responsible for misinterpretation of these updates by clients.

---

17. Limitation of Liability

Editify's total liability for any claim is strictly limited to the amount paid by the client for that specific project.

Editify will not be liable for indirect, incidental, or consequential damages (e.g., lost opportunities, revenue, or profits).

---

18. Indemnity Clause

Clients agree to indemnify and hold harmless Editify, its editors, and payment managers from any claims, damages, or legal actions arising from:

Content provided by the client,

Misuse of edited material, or

Violations of law or third-party rights.

By working with Editify, you confirm that you have read, understood, and agreed to all terms and conditions listed above, including the protections provided for editors, payment managers, and all staff members involved in the project.
